## About CEO Academy

Not Just Learning. Leadership Transformation.

CEOAcademy is an elite leadership incubating center designed to prepare the next wave of CEOs, entrepreneurs, and high-level executives for the complexities of the modern global market. We don't just teach management; we cultivate the mindset required to navigate today's hyper-competitive business landscape.

Our curriculum transcends traditional academic theory. As an academy built for future leaders and guided by veteran mentors – thus named as CEO's Accelerator program.

At CEO Academy, we do not simply prepare professionals for promotions — we prepare them for **enterprise leadership, CEO accountability, and CXO excellence.**

### Vision

To build India's most trusted platform for accelerated CEO / CXO readiness and enterprise leadership excellence.

### Mission

To create execution-driven leaders through structured mentorship, enterprise immersion, and boardroom-focused capability development.

CEO Decisions

The Problem

**You're Trapped in a Career That Rewards Loyalty, Not Leadership.**

- 12–15 years to reach CXO via the traditional path
- Functional silos prevent enterprise thinking
- Managers teach tasks — not P&L or board decisions
- No exposure to scale, capital, or investor fluency

**“Most professionals never get the chance to think like a CEO. We change that.”**

The Solution

**Only One Decision.**

**CEO ACCELERATOR**

- **Months 1–6 : CEO Training + Exec. MBA**
- **Months 7-9 : On-job training/ Final**

**Placement**

- **5–7 YEARS TO CXO + EXEC MBA**
